

# Eyke C of E Primary School

Gardening Club is very proud to have been awarded Silver Gilt in the Suffolk Show School Garden Competition. The theme for our show garden was the Paris Olympics and our bed included French beans growing over the Olympic rings, sweet peas growing up the Eiffel Tower, the River Seine made out of flowers and a harvest of French onions. We also had small canoes carved by Albert and Walter. A huge congratulations to all of Gardening Club for the work they put in and a particular thanks to Alice, Anais, Adam, Albert, Connie, Finley, James, Ralph, Walter and all their parents who presented the garden and spoke to the judges at the Suffolk Show.

It was also lovely to catch-up with Morland C of E Primary who had their show garden next to ours!

We have enjoyed having the MAT Olympic torch. We have embraced the fact that this year the Olympics are to be held in France. After looking at and learning about the torch, the Year 3s went outside for a game or two of Pétanque and then enjoyed a snack of Madeleines and croissant!
