

Nacton Church of England Primary Autumn Term News 2025

Christmas Jumper Day Music Project

This term, we were so excited to be taking part in the Christmas Jumper Day Music Project, alongside many other schools across Suffolk and Norfolk. As part of the project, the children were filmed singing the Christmas Jumper Song, which will be included in a special video to help raise money for charity.

Nacton launches its Wellbeing Ambassadors

This is a new role awarded to those children who consistently demonstrate empathy, kindness, and a genuine concern for the wellbeing of others. Our ambassadors stand out as children who truly care—not just in their words, but in the way they treat those around them. Staff have noted these children offering a helping hand, being a good listener, and making others feel included. A special gathering was held to congratulate each, award them their badge and receive a letter of commendation to take home.
