

ALL SAINTS' CE PRIMARY SCHOOL
MAT NEWSLETTER - SUMMER 2022

At All Saints' CE Primary, we are 'Children of God'. We wear our crowns with pride. Together we are Included, Involved and Inspired.

INCLUDED

Last half term at All Saints' we celebrated the Queen's platinum Jubilee. Together with parents and grandparents, pre-school children and the local community we commemorated this once in a life time event.

The celebrations were kicked off with the Year 3 & 4 performance which took us on a journey through the decades of the last 70 years. The programme included iconic music from each decade, key national events and advances in technology, as well as personal moments from the Queen's reign.

Diocesan Multi Academy Trust

INVOLVED

There were many opportunities to get involved during the lead up and during the Jubilee celebrations. Children had the opportunity to decorate a plate or tile at a local pottery painting studio.

Each class also created some artwork relating to the Jubilee which was displayed at our Jubilee picnic party.

Reception/Ruby class: created a collage of the Queen's profile inspired by stamps.

Year 1/Amber Class: have been busy designing their own crowns on collagraphs. Then they printed them onto the background of red/white/blue.

Year 2/Topaz Class: created a collage of the Queen's crown inspired by the complementary colours used by Henri Matisse's collage called 'The Snail'.

Year 3/Emerald Class: created corgi pictures inspired by Henri Matisse's artwork called 'Jazz, Le Ciel, La Mer'.

Year 4/Sapphire Class: designed and created a shoe for the queen. They made a cast model of a shoe with masking tape and then painted them red/white/blue.

Year 5/Amethyst class: were inspired by Dave Devereux to create some collaborate Art, based on important symbols of monarchs e.g. orb and sceptre.

Year 6/Diamond Class: created press prints inspired by the Queen's side on portraits.

On the last day of term, children came together for a Jubilee picnic and finished the day with a celebration of the children's learning. Each class performed a short piece to the parents which included poems, songs and short acting, based on the Queen's Jubilee. Parents had

the opportunity to look at the children's amazing artwork and buy some of the lovely cakes from the cake competition.

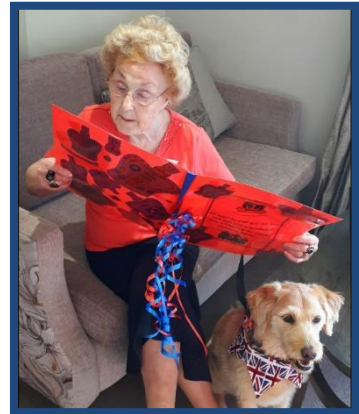

INSPIRED

Miss Bacon felt inspired that we should share some of our lovely Jubilee work with the community. She takes her Therapy Dog, Charlie to visit the elderly in Marham Park Care Home, Bury St Edmunds. So, with help from Year 3 and Year 5, she was able to deliver a beautiful crown-themed card to the residents over the half term holiday. They were thrilled to see it. Perhaps we might be able to arrange a future visit to the home for a sing-along with some children?

Year 5 and 6 also made some crown decorations that are still proudly displayed outside All Saints' Church.

We love inspiring others in our community and the Jubilee was a perfect time to do this. Her Majesty, The Queen has role modelled for us perfectly how to be an inspiration to many communities.

To conclude our celebrations a small group of staff, children and parents joined in the Newmarket Jubilee parade. Children wore their crowns with pride, wearing patriotic colours and waved their flags representing the United Kingdom and Ukraine. Children felt compelled to include the Ukrainian flag as we are aware many refugees have come from Ukraine to Newmarket including members from our school. We hope this helped them to feel included.

A Jubilee Prayer

Dear God,

We thank you for blessing our Queen with long life.

We pray that you continue to strengthen her as only you are able to do so that she may continue to reign with love and compassion.

We ask this in the name of Jesus Christ our Lord and Saviour.

Amen.
