Easter Experience

Our lovely Open the Book Team have helped us to run 'Easter Experience' for all of the children in Years 2 and 3. The children are familiar with the Easter story, but this was a fabulous opportunity for them to learn and understand more fully all about the events leading up to Easter.

Celebrating Musical Achievements

At the end of this term a large group of children shared a musical afternoon with their parents and carers. It was an opportunity for them to present what they have been learning in their instrumental lessons in recent months.

It was a super afternoon with a variety of music and instruments which was enjoyed by all

Table Tennis Success

We are very proud of our table tennis teams. Both boys' and girls' teams became Suffolk champions and progressed to the Zone finals in Lincolnshire. The boys team won the zone finals went on to the regional final. The competition was extremely high and the boys did amazingly well and finally finished in second place. That puts them into the top 8 primary school table tennis teams in the country which is an incredible achievement.

Gang and Knife Crime Workshops

During this term, all of the children in Years 5 and 6 have taken part in gang and knife crime workshops which have been run by expert external support agencies. They have proved to be extremely informative in raising the children's awareness and understanding of how to keep themselves safe. These issues have been very important to us in recent times given events in our locality.
