

Spring Term News from Nacton Church of England Primary School

As part of their Stone Age topic Leopards class (Year 3 and 4) were visited by some cavemen! They had a brilliant time learning about the Stone Age in lots of practical ways including; making an axe head, making fire and gutting and cooking mackerel. It was a brilliant day for all of the children, they will certainly never forget it!

We have had a large number of visitors this term including; firefighters, ambulance crews, police officers, Open the Book team, cavemen, the Anglo Chinese Cultural Exchange and several more. All of the pupils have also had the opportunity to try some new sports including fencing and volleyball.

Our Key Stage 2 pupils had a opportunity to deepen their understanding of the Easter story through the Diocesan's 'Discovery Easter' visit.

Our Year 6 pupils read bible readings telling the Easter story to the whole school and a large number of parents and carers who were able to join us for our first ever Easter Service.

Not even the 'Beast from the East' could stop us celebrating World Book Day, though we did have to postpone it! The children had a fantastic time dressing up as some of their favourite characters from books written by; Julia Donaldson, Roald Dahl, David Walliams and Jacqueline Wilson.
