

The Year 4 RE unit has been all about Reconciliation! We looked at a sculpture by Margaret Adams Parker, and tried to recreate it in our own freeze frames.

Year 6 had a fantastic day learning about new technologies (including Baxter the robot) at BT Adastral Park.

Foundation Stage had to read clues to help them find the Easter eggs!

We are incredibly proud of our U11 Hockey team who became County Quicksticks Hockey Champions.

The Year 3 and Year 4 performed in 'The Three Trees'. A wonderful Easter story full of singing and dancing.

Our choir performed at the Snape Schools Music Celebration
