

Our gardening club won first place for its display garden for the Suffolk Show. The theme of the display was the 100th anniversary of the end of WW1. The design incorporated many white flowers to symbolise peace. The children visited residents of Seckford Almshouses to hear about family members who had lost lives in WW1 and created pebbles with the names of soldiers who died in the war. The garden also designed a water feature for reflection. It was very special.

Year 4 have been working with a choreographer to create a Beowulf Dance. We have looked at how we can use our bodies to create architectural structures and battle scenes. We have had to think about using different muscles to support our poses.

Year 5 learned a great deal about the River Deben when we followed it from the source to the mouth.

We loved it when the circus came to St Mary's. It was great fun to have a go at some new skills.

Archery was one of the most popular activities during the Year 5 residential trip to African Adventure at Sizewell Hall
