

February 2022

### Epiphany

It was wonderful to start the term with an Epiphany celebration. The children made crowns during the Christmas holidays and wore them as we paraded to St Mary's Church for an Epiphany Service.

Mary's Church for an Epiphany Service.

### Multi-skills Sports

Some pupils in Year 5 have been trained as multi-sports leaders by Ipswich Town Community Trust and have been helping the younger children take part in a range of fitness events. We have been so impressed by the Year 5 pupils' leadership skills which have been met with

great enthusiasm and effort from our younger pupils

Children in Year 6 have been involved in 'The Boy who

Harnessed

the Wind' dance project celebrating the work of Malawi scientist, William Kamkwamba.
