

Spring 2019

After reading *The Gingerbread Man*, the children in Foundation Stage wanted to make some! They wrote their own shopping lists, walked to the shop to buy ingredients and then made gingerbread men biscuits with the residents of Woodbridge Lodge.

Year 3 and Year 4 performed a brilliant version of 'Roll Back the Stone'. The singing and dancing was really impressive and everyone performed very enthusiastically.

In RE, Year 4 pupils have been learning about reconciliation. They have enjoyed using plasticine to make models of characters from Bible stories who are reconciling. This model represents the father and son from 'The Prodigal Son'.

Year 5 enjoyed a day splashing around in the river Deben as part of their learning about rivers. Here they are at Debenham collecting river data.

Our sporting success has been another highlight of the term. Our swimming team came first in the local gala and we are now through to the county finals. We are also through to the county finals in hockey. Our teams performed admirably at the strenuous cross country competition at RHS. We've also had a whole school cross country event and a pyramid competition – good job we do the daily mile every day to keep up our running stamina!
