

Tudor CE Primary School

Sudbury

'Life in all its fullness'

SIAMs celebrations

We were delighted to receive our latest SIAMs report, which spoke in glowing terms about the work we all do here at Tudor CE Primary School to ensure everyone in our community enjoys 'Life in all its fullness'.

Our inspector spoke to senior leaders, the children, parents of children here, teaching staff as well as attend assemblies, lessons, looked at books and display work, and enjoyed a detailed tour of our school looking at all the wonderful work on display.

Please see below a copy of the report but here are a few key highlights from the report:

'A friendly and mutually supportive community'

'An oasis of respect and compassion'

'Striking artwork is visible in every part of the building'

'The school's calm and focussed learning environment'

'A calm and friendly atmosphere'

'Pupils, staff and families are treated with respect and dignity'.

We were thrilled to see our hard work recognised and celebrated.

Mini Medics

Everyone in year 3 and 4 enjoyed learning some basic first aid skills and how to help when someone is taken ill. We were delighted to welcome the Mini Medics Team to Tudor to teach these skills to our children. They all worked really hard with the instructors and have shared some of their skills already with their families.

Here are a few photos from the day:

Rainbow of Hope Group.

The children in our Rainbow of Hope group have raised money to buy green plants for everyone's classroom. They know that having green plants in a room helps people to feel more relaxed and ready to learn as well as provide oxygen to breathe.

They came with Mrs dew and myself to Perrywoods in Sudbury and bought every class a plant!

Suffolk Show Gold!

We entered the Suffolk Show again this year with a garden that the children had planned and designed, grew from seed and then presented to the judges on the day of the show. The judges were very thorough with their questioning and the children did a superb job! And we got a gold certificate which we are delighted with!

Here is our garden based on the story book 'Tiddler'.

Sports Day.

Our annual sports day took place in early June and it was a wonderful community day. The parents enjoyed watching their children run flat races, obstacle races, relay races, and also play tennis and enjoy some athletic activities on our tennis courts. It was a fun packed, activity day.

Many thanks goes to everyone for being a good sport in the mum's race, the dad's race, the pre-school race and of course the staff race!

It was great day of being together and enjoying the wonderful weather and activities!

Visit to the Cathedral.

Our children in year 5 and 6 had a wonderful trip out to visit the Cathedral in Bury to learn all about the Eucharist. They experienced many activities, including dressing as a priest, reflective story telling, cross crafts and even watch a real Eucharist service taking place. It was wonderful and the children loved it!

Here is one of our children dressed as the priest.

Many thanks to everyone at the Cathedral for all their help and inspiration for putting on activities such as these for our children.
