**Children's University.**

We were delighted to have over 50 children receive either their bronze silver or gold award from the Children's University. We had 2 children achieve their gold award. It was a lovely evening, many parents enjoyed seeing their children celebrated in such a special way.

We celebrated children from Early Years, Key Stage 1 and also key stage 2.

Our parish church of St Gregory's was full with parents and children. It was a wonderful way to end the year. We are very grateful to all our families for helping to provide such a rich range of experiences for the children.

Many thanks to Mr Andrew Blitt, one of our MAT Directors for presenting the awards.

**Sports Day.**

The summer sports day is a highlight of the year and it was lovely to enjoy the sports day again this year after a break of a couple of years.

The children tried so hard and showed such great determination and also consideration towards others.

In between their racing the children enjoyed additional sport coaching in dodgeball and dance.

The parents were wonderful and cheered loudly in support of both their children and other children.

**Peter Pan!**

The children in year 3 and 4 presented their musical this year of Peter Pan. They worked incredibly hard and it was an absolute wonder! We hired the Quay Theatre and had the real performing experience using the head microphones, and using the theatre sound and lighting system. The Quay Theatre are very generous with their space and allow us to hire it for a whole day.

It was amazing!!!! Over 100 children took part!

**Year 6 Residential.**

The children in year 6 enjoyed a residential trip to Horstead Centre in Norfolk. They went over a weekend.

They had the most wonderful time!

They enjoyed canoeing, climbing, archery, campfire cooking, vertical challenge, zip wire not to mention the endless games of hide and seek and pillow rugby while they were supposed to be sleeping. We all hope they will remember this trip with fondness of their time here at Tudor, We will miss them all.

We send our year 6 children out into the world telling them **'There is only one you, go out and make the world a better place'.**

We know our wonderful year 6 children will do that! We are so proud of them all.
